

## Famous Mississippian Research Google Slides Presentation

Choose a theme that is clean, polished, and consistent throughout. Use only 1 font throughout the presentation that is easy to read. Be sure to work online with Google Slides so that you have access to all tools and functions. The app does not offer all that you will need. You can go to [slides.google.com](https://slides.google.com) and sign in with your Chrome username and password to work on your presentation online.

You will need to include the following slides in your presentation:

- Slide 1:** Famous Mississippian's name, picture, and your first and last name
- Slide 2:** This person's birth date and birthplace, include a picture
- Slide 3:** Where did this person grow up? Where did he or she go to school? (even if it wasn't in Mississippi) Include a picture of him or her as a child or young person.
- Slide 4:** Outstanding accomplishments - For example: major achievements, awards won, charitable contributions, foundations sponsored, etc. Include a picture that relates to their accomplishments. In other words, what makes or made them famous?
- Slide 5:** Where is this person now? If this person has passed, what was the date? Include a current picture or a picture of your person later in life.
- Slide 6:** Interesting facts not previously mentioned. Include a picture.

### IMPORTANT...

All information should be in complete sentences. Your presentation must include a minimum of 6 pictures (1 per slide).

Your presentation should contain a transition that is applied to all slides as well as animations on each slide.

Double **AND** triple-check your spelling, punctuation, capitalization, and grammar.

*You may do your research outside of Innovation Lab, but we will work on your Slides presentation when you come to Innovation Lab. You will present your Slides presentation in your regular classroom for your teacher.*

**THIS IS A GRADE! Be sure to follow ALL instructions!**
